

# Medical Cannabis 6 Month UPDATE instructions

## Step 1.

Log onto your portal with the Mississippi DOH at <https://ms-doh-public.nls.egov.com/login>

## Step 2.

Click on **Create New Application**  
I am a **“Patient”** from the dropdown  
And then click on **Patient UPDATE**  
Do **NOT** click Patient Renewal

## Step 3:

Select your current license number and then select YES to update practitioner information  
Click **“Save”** and then **“Save and Next”**

### Step 4:

Next section is “Certifying Practitioner/Condition Information”  
click Green Box titled “**View Available Certifications**”

LICENSE INFORMATION   GENERAL INFORMATION   CONTACT INFORMATION   **CERTIFYING PRACTITIONER/CONDITION INFORMATION**   CAREGIVER INFORMATION   QUESTIONS AND ATTESTATIONS

Recommendation ⓘ

**VIEW AVAILABLE CERTIFICATIONS**

Condition Information

Date of Patient Examination\*   Recommended Amount\*  
03/05/2026   Standard Amount Allowed by Law

### Step 5 :

Select the **MOST RECENT DATE** under available certifications,  
It will be at the top of the list. Then click **UPDATE**  
Next, scroll to the bottom and click “**Save and Next**”

**Practitioner Certification Selection**

Please select the Practitioner Certification by clicking on respective sections below.

Physician Name: [REDACTED]	Recommendation ID: 456283	Examination Date: 03/09/2026
Physician Name: [REDACTED]	Recommendation ID: 441151	Examination Date: 02/09/2026
Physician Name: [REDACTED]	Recommendation ID: 426589	Examination Date: 01/08/2026

**CANCEL**   **UPDATE**

### Step 6:

On the next tab, you will need to answer each question and scroll to the bottom and type your name in the Signature box, and make sure the date is today’s date or you will get an error message.

After you confirm your signature and date are correct, click “**Save and Next**”

The last tab is the Review tab; scroll down and make sure you don’t have any Red X’s. If you don’t have any Red X’s, you can now click “**submit**”.

There is no charge for a Patient Update.

If you get to a Payment Screen, you have selected the wrong application.
